1. I discussed with Sen. O'Mahoney, Chairman of the Armed Services Subcommittee of the Senate Appropriations Committee, problems in connection with the CIA budget, on which his Subcommittee will have to pass. Sen. O'Mahoney desires a meeting with the Director, at which Sen. Ferguson, ranking Republican of the Subcommittee, will also be present so that we may justify our budget to them as a Special Subcommittee. A meeting has tentatively been arranged for Thursday afternoon, 28 June.
